Ego

I’m coming down my way,
I’m your point of interest
I’m exaggerated , I, I seem underhanded
I do what I have to do, I don’t ask for one thing
I believe in me, I, I will always love me

I do love my ego in me, don’t call me reckless
I support my ego in me,
I love my ego in me

Lalalalalalala lalalalalalala lalalalalalala lalalalalalalalalalalala aso.

When I’m entering the room you will freeze, its natural, nothing to complain about, that’s me

I will always stay like this, I will never change me
I use secrete powers I, I am almost sacred
I give me the best caress; I would kiss my ass, yeha
I have found my self, I, I know I’m the best, yeha

I do love my ego in me, don’t call me reckless
I support my ego in me,
I love my ego in me

Lalalalalalala lalalalalalala lalalalalalala lalalalalalalalalalalala aso.

When I’m entering the room you will freeze, its natural, nothing to complain about, that’s me
Comparing to you and your relatives I am the end of the evolution line
I’m shining more bright than sun and stars together, got it? Right!
Oh, I know, people like you, standing a bit apart of it, are not able to mind my intentions
At best it seems spoilt to you, but trust me.
I know what I’m saying when I tell you about me and my fucking brilliancy

Oooohhhhh, ass to mouth, ass to Mickey Mouse
Oooohhhhh, ass to mouth, ass to Mickey Mouse
Oooohhhhh, ass to mouth, ass to Mickey Mouse
Oooohhhhh, ass to mouth, ass to Mickey Mouse

I will talk, the angeles sing, I’ll become you saviour
I’m my favourite lover, I, I’m on best behaviour
I’ll melt you with low degrees, I’ll burn you with my fire,
I’ll make you a midget, I, I am getting higher

Come, see my ingenuity, don’t try to beat me,
I support my ego in me,
Come here to me and see me

Lalalalalalala lalalalalalala lalalalalalala lalalalalalalalalalalala aso.
